## DSW Summer Social

3rd Annual Fundraiser

June 9, 2018

# Greetings from DeSales Service Works in Camden!

## WHO WE ARE

DeSales Service Works (DSW) is the Oblates of St. Francis de Sales' service organization based in Camden, NJ, which is one of the economically poorest cities in the country. DSW partners with local agencies to directly serve the needs of our sisters and brothers while also advocating for social justice.

## WHAT WE DO

Beginning in 2009, we have welcomed over 1,200 volunteers each year who have contributed over 15,000 hours of service assisting the work of our partners in ministry. We join efforts to feed the hungry, house the homeless, clean up in the neighborhood, support addicts in recovery, and tutor and mentor grade school students. In all of this we bring Jesus and meet Jesus in these encounters with neighbors at the margins.

## 3RD ANNUAL FUNDRAISER

This year our fundraising focus is to rehab the abandoned property next door, which was donated to us by a community partner, The Last Stop. The increased space will allow us to expand our work bringing people together for service learning in the Salesian tradition.
