

Greetings from DeSales Service Works in Camden!

DSW Summer Social

3rd Annual Fundraiser

June 9, 2018

WHO WE ARE

DeSales Service Works (DSW) is the Oblates of St. Francis de Sales' service organization based in Camden, NJ, which is one of the economically poorest cities in the country. DSW partners with local agencies to directly serve the needs of our sisters and brothers while also advocating for social justice.

WHAT WE DO

Beginning in 2009, we have welcomed over 1,200 volunteers each year who have contributed over 15,000 hours of service assisting the work of our partners in ministry. We join efforts to feed the hungry, house the homeless, clean up in the neighborhood, support addicts in recovery, and tutor and mentor grade school students. In all of this we bring Jesus and meet Jesus in these encounters with neighbors at the margins.

3RD ANNUAL FUNDRAISER

This year our fundraising focus is to rehab the abandoned property next door, which was donated to us by a community partner, The Last Stop. The increased space will allow us to expand our work bringing people together for service learning in the Salesian tradition.

The event will be held on Saturday, June 9, 2018 at the Cathedral of the Immaculate Conception from 5:00-9:00. There will be live music, basket raffle, and silent auctions. We draw support from the Camden and Greater Philadelphia area.

Would you consider supporting our efforts by sponsoring the event?

Please find our sponsor info and application attached. All contributions will be acknowledged on the evening of the event.

Our director of operations, Mike Morgan, and our spiritual director, Fr. Mike McCue, OSFS, and all of our volunteers greatly appreciate your generosity.

Thank you and God Bless,
The DSW Community

WILL YOU HELP US RAISE
\$35,000
TO BRING NEW LIFE TO THE
NEIGHBORHOOD?

In 2017 the long abandoned building next to DSW was donated to us! We're transforming it into space for hosting volunteers who will serve those most in need in Camden.
